

Volunteer at ASID

There are great benefits for members who get involved: networking opportunities, leadership development, educational and fun activities - all while serving to maintain the professionalism of the industry, ASID and its members.

Our volunteer structure allows you to serve in the way that best meets *your* needs. Find a way to contribute and use your skills, interests and available time, and you will find your experience to be more rewarding.

- Short-term:** for specific events or programs; these commitments are generally time-specific and focused, and occur throughout the year.
- Ongoing:** each committee meets year-round; typically once per month.
- Please contact me . . .** I need more information before I am ready to sign up to volunteer.
